

JOB DESCRIPTION

COACH

THE ROLE

EVO coaches are exceptionally passionate, with a mission to technically develop youth players and deliver incredible, memorable experiences.

First and foremost, you must have a desire, willingness and ability to engage and enthuse young players in our sport. Second, you must be open to learning and developing your coaching craft, with an emphasis on developing better technical players.

You will become part of a team comprising over 160 coaches from more than 29 countries – providing an incredible opportunity to share ideas and explore different hockey philosophies.

EVO coaches are inspiring figures for the players in their charge – with the ability to motivate, engage and empower.

We will furnish you with the tools, ideas and information to deliver world-class technical coaching sessions. We will support your coaching development and upskill you, in exchange for your passion and energy on the pitch.

EVO Hockey camps run during school holidays. Academies run after-school / early evenings during term-times.

ESSENTIAL ATTRIBUTES

- Ability to engage and enthuse young players, come (sometimes heavy!) rain or shine!
- Willingness to work hard and leave all your energy out on the pitch with your players.
- Willingness to deliver active technical coaching, with attention to detail in player feedback.
- Strong work ethic.

- Availability during school holidays, subject to your own international / domestic playing / coaching commitments.
- Availability for certain evening sessions (5.30-7pm or 6-7.30pm).
- Ability / willingness to travel.

DESIRABLE QUALITIES / SKILLS

- Top-level playing / coaching expertise.
- Experience in playing / coaching hockey in multiple countries.
- FIH / EHF / equivalent national body coaching qualification.
- Enhanced DBS.
- First aid qualification.

ABOUT EVO HOCKEY

EVO Hockey is a technical coaching organisation, running hockey camps, training academies and events, connecting developing hockey players with some of the best and most creative international hockey training methods and philosophies in the world. EVO was created to provide access to world-class, multi-national, creative technical sports coaching for all players, regardless of club or school background. A philosophy of professionalism, creativity and consistent innovation runs through everything we do.
